

SAME SEX MARRIAGE

WHY NOT?

How to explain the Church's position.

DR. JENNIFER ROBACK MORSE

Dr. Morse brings a unique voice to discussions of love, marriage, sexuality and the family. She has taught at Yale University and George Mason University and was a Research Fellow at both Stanford University's Hoover Institution and at the Acton Institute for the Study of Religion and Liberty. In 2008, Dr. Morse founded the Ruth Institute at RuthInstitute.org - a non-profit educational organization dedicated to bringing hope and encouragement for life-long married love.

For teachers, administrators, clergy, catechists, DREs, youth ministers, and parents.

From this evening, you will learn:

- ✓ *Why the Church teaches that marriage can only be between one man and one woman.*
- ✓ *The serious consequences that would follow if the state changed the traditional definition of marriage.*
- ✓ *Practical tools for presenting the Church's teaching with clarity, sensitivity, and compassion.*
