

## Support Parental Notification

The Bishops of California support the effort to place an initiative on the November 2012 ballot that will require a doctor to notify parents 48 hours prior to an abortion on their minor daughter.

In their statement they say:

“As Catholics, we believe and teach that we bear the image of God. We come to life as the result of humanity’s collaboration in God’s creative work... As citizens, we believe that government serves best when it supports families in their irreplaceable task of nurturing the next generation.”
