WHAT MAKES US CATHOLIC

*This series invited people to drink deeply from the “livings water” that Jesus promised to the Samaritan woman at the well (Jn 4:14), to draw out from Catholic Christian faith what is most life-giving for ourselves and for the world. Each program reflects the conviction that Catholic faith is most “effective” (i.e. sacramental) when it forms people’s identity and shapes how we respond to the “great questions”—the real issues—of life. **Each video comes with discussion questions and talking points.***
