

CELEBRATE THE YEAR OF SAINT PAUL BY SHOWING THIS DVD

Shot entirely on location in Israel, Syria, Turkey, Greece and Italy with popular Catholic author and speaker Stephen Ray as tour guide, "Paul: Contending for the Faith" shows viewers the most comprehensive profile ever done on St. Paul The Apostle. Zealous for the God of Israel, Saul of Tarsus (his former name) pursued murderous threats against the disciples of Jesus. But his zeal was turned upside down when he was knocked from his "high horse" and humbled by the hand of God. Viewers will travel where Paul did, on the very same roads, through the same rivers and seas, into the same buildings, churches and synagogues ... and prisons. Ultimately, they'll better understand the life, ministry, sufferings and martyrdom of St. Paul, as well as his Letters in the New Testament.
