Re: Presentation on the Dangers of Internet Technology

---

I wish to encourage anyone involved in parish ministry to register to attend a luncheon presentation by Special Agent Eric Szatkowski at the Sacramento Radisson (500 Leisure Ln.) on Friday, July 16, 2010 at 12:00 p.m. Noon. Check-in begins at 11:30 a.m. The event will end between 1:30 and 2:00 p.m.

The presentation is titled "The Dark Side of Digital Technology" and will demonstrate to us the very real dangers mobile phone and Internet technology present to our youth, which often may be overlooked or underestimated. The information given at this event will be of great value to each of us in our ministry.

Mr. Szatkowski serves professionally on the *Internet Crimes Against Children Task Force* in Milwaukee, Wisconsin and is an expert in his field.

The cost to attend this event is \$25 per person if prepaid through the Sacramento Catholic Forum website at <http://www.SacCatholicForum.org> Registration will be available at the door for \$30 per person. The ticket price includes the presentation and lunch.
