OFFICE OF THE BISHOP

Memo

To: All Priests and Diocesan Employees
From: Kathy Conner, Chancellor

Re: New Assistant Controller / Benefits Manager

Today we welcome Debbie Anderson to the Pastoral Center as the new Assistant Controller / Benefits Manager. In this new position, Debbie will oversee the development and administration of all priest and employee benefit programs as well as worker's compensation and pension plans for both priests and lay employees. In addition, Debbie will design and maintain all required financial statements and related accounting for our self funded health benefits and pension plans. Debbie will be part of the Finance Office and will report to Tom McNamara, CFO.

Debbie served as the Director of Finance and Administration for the California Waterfowl Association from 1995 - 2004. Prior to this, she served as the agency's Controller. Debbie's extensive background with employee benefits as well as accounting and financial administration will serve her well in this new position.

Ronnah Wise' last day of employment with the diocese was December 30. We wish Ronnah well in her future endeavors.

With Debbie now in place, the reorganization of Lay Personnel that we spoke of last August is now complete. All questions related to employee benefits including those mentioned above will be handled by Debbie at extension 282. Those questions relating to employee relations will now go to Kathy Conner at extension 207.

If you have any questions related to any of these changes, please don't hesitate to call me at the Pastoral Center.
