Subject: Retirement

It is with mixed feelings that I send this e-mail to you. After much thought and prayer I have decided to retire. My last day with the diocese will be September 3, 2010.

It has been a pleasure and honor to serve the Diocese of Sacramento and it is very important to me that I let you know how thankful I am for all the support you have given me as your loss control consultant. You have become a special part of my life and I have enjoyed our friendship throughout the years we have worked together. I especially appreciate all the times you accommodated my scheduled visits to your sites and for taking a pro-active approach to safety.

This ministry has enriched my life and I will miss all of you. Thanks for being part of my life.
