**Presenter:**

Brother Bill Short, OFM  
Professor of Spirituality

At the Franciscan School of Theology in Berkeley, California, Brother Bill, with a special love of things medieval, is a scholar equally comfortable in the fields of spirituality, Christian history and the Franciscan tradition. He researches, writes, lectures and translates in four languages. His frequent lectures, retreats and workshops outside the school educate the wider community about the Franciscan tradition.

Brother Bill will reflect on church life today, its demands, expectations and the type of collaboration Deacons can bring for building community.
